MY MISSION

I'm Melanie, the creative genius behind Simple Made Pretty. I'm a wife, mother of 2, DIYer, crafter, home organizer, and decorator.

My mission is to create a positive community where others can be inspired to create something pretty. Whether it's a small craft project, a kitchen remodel, or tidying up a home... I'm here to help others find simple, budget-friendly solutions for home decor, crafts, and DIY projects.
